

United States District Court for the Southern District of New York

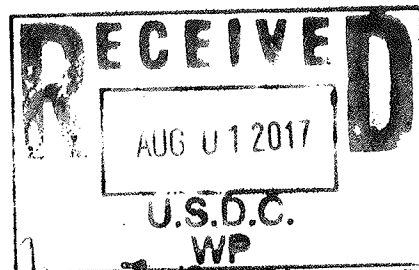

(1)

Alexander Tiggett

vs

Transunion
Equifax and Experian

Civil suit

17CV5870

I file this civil suit because I have filed 74 cases and Judge Mitz of Baltimore District has sat in on these cases discriminating against me and the whole Maryland District Court. I cannot get a fair trial in Maryland and I wish for change of location and for my case to be heard in New York or at least start an investigation on the Clerk, Chief Judge and Judge Mitz to wrestle the cases away from him or his boy James Bredar and George Russell. I file this because the three Credit Bureaus are in cahoots to destroy my credit and poor people credit so they cannot live the American dream. In my case they have said that on Transunion I owe \$1500.00 and Experian and Equifax are saying that they have me getting in debt by debt.

collectors. This is slander and a ² ~~2~~
abuse of freedom of speech for I
have a right to be safe in my
property and ideas. For I owe none
of these people and one is a debt
for Good Samaritan Hospital in Baltimore where they say I owe \$500.00
but I called my Medicaid health
plan and they said that they
would take care of the bill
because the hospital that they
said I owe is Medstar and
my health plan is Medstar and
Good Samaritan is Medstar so
if I'm with Medstar there
can't be a bill. The other bill
is for \$289.00 that they say I
owe from ~~2012~~ and I don't know
what they are talking about.
I want the five credit bureaus
to take anything off of my record
about me owing anything for
it is slander and a minority
of the credit industry to keep people
poor and out of the American
dream.

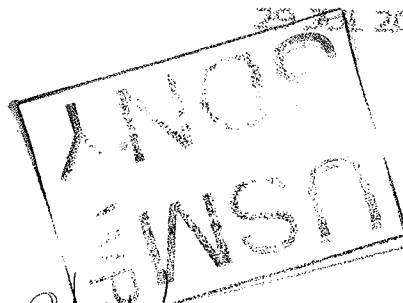

③
I want my credit score raised
and I am suing for \$3000
for potential credit I could
have received if they wouldn't
have rated my credit poor and
lending risk which they say I'm
about me. Matter of fact I'm
suing for \$20,000 for I could
have had a lot of credit
opportunities if not for these
credit bureaus slandering my
name.
